INDEX, AUSTRALIAN NURSING JOURNAL, VOLUME ONE JULY 1993-JUNE 1994

Please note the Australian Nursing Journal is the new title for the Australian Nurses Journal.

Note: Numbers in parentheses refer to issues, whilst numbers after the colon refer to the pages, e.g. (10):16 refers to issue 10 (May 1994), page 16.

AUTHOR INDEX

A

ACT Branch
Nurses with family responsibilities: AIRC landmark decision (10):16
Shift work update (10):16

Ajani, Louise
ANF responds to Baby Friendly critic [letter] (7):4
Assessors wanted for 'baby friendly hospital initiative' [letter] (4):5

Allen, Anne-Marie, Nursing in New York – is it worth it? (11):22-3

Anderson, Barbara, Graduate programs in ACT [letter] (7):5

ANF
A special message about ANF withdrawal from the ICN (7):9
ANF and aged care (8):25
ANF continues fight for public service nurses (8):10
ANF continues talks on tax (10):10
ANF education review submission (6):8
ANF wins half a million dollars for nursing casemix projects (11):14
Mental as anything? (11):10
National $8 rise: not for nurses (6):7
Overseas study service for members (11):8

Anon. (or unattributed)
A warning about Reiki healing [letter] (11):4
AA is useful for nurses [letter] (4):6
Action on female genital mutilation (10):9
ACTU overseas work boosts health (1):8
Aged care action group lobbies Government (6):8
Aged care funding under the spotlight (4):9
Aged care reports published (6):7
Ageism compromises surgical care (2):9
AIDS training directory (3):8
Alternative therapies popular in children with cancer (10):14
ANF seeks tax information on uniforms (1):9
ANF warns Federal Government on enterprise bargaining (3):9
ANF/ACTU involved in health insurance reforms (7):8
Aromatherapy 'effective' in labour and childbirth (10):14-15
Attitudes to aged care varies between ethnic communities (8):13
Cancer drugs linked to ectopic pregnancy (3):12
Case management project holds promise (5):16-17
CHD risk reduced with vitamin E supplements (4):15
'Common' pressure care technique is useless (7):12
Contraception adherence better with transaction (7):13
Coping strategies and AIDS patients (10):15
Credit transfer project to benefit nurses (5):15
Diabetes research and resources (11):12
Do nurses need universal professional indemnity cover? (10):8
Documentation survey shows improvement needed (5):29
Double shift rituals undermine education opportunities (8):12
Drug and alcohol abuse by doctors (11):17-18
ENs have their say [letter] (9):4-5
Equal opportunity survey (1):9
Ethics code to be ratified soon (1):9
Euthanasia debate hots up in ACT (8):17
First Baby Friendly Hospital (10):9
First international community nursing research compendium (8):12
Glutaraldehyde campaign urged (1):8
Government signals new industrial agenda (5):12
Health care waste & fraud. What can I do about it? The role of the Health Insurance Commission (7):39
HIC focus on nurses and medicine use (6):8
Hip fracture up in NSW (1):29
Huge demand for carers pack (1):8
Interim award benefits Public Service nurses too (7):15
International Midwives Day 1994 postcard campaign (10):8
Job service launched in NSW (2):27
Jobless men hit by cardiac death (6):9-10
Laparoscopy better for gall bladder surgery (9):12
Lavender oil benefits cardiac patients (3):13
Leadership needed on multicultural health (6):8
Link between falls in nursing homes and medication (7):13
Lobby now! It's your right (1):14
Low immunisation rates require action (11):17
Major nursing education review announced (1):9
Medicine project underway (7):19
Medicines campaign has big impact (3):8
Midwives angry about new Nurses Act provisions (7):14
More aged care provision urged (4):9
More vitamin K news (6):10
MS rate 7 times higher in Hobart than Queensland (9):13
National guidelines on donation released (6):7
National NTE elects new committee (5):10
National OHS goals to be approved (4):8
Negative attitudes to parasuicide require more education (11):16
New AIDS training document out (3):8
New sterilisation standards out now (10):9
New vitamin K research suggests no cancer link (2):9
NSW bid for aged care nursing research unit (11):12
NT living with Alcohol Project (2):28
NTE goes national (2):8
NTE meets with Senator (8):10
Nurses at very low risk of contracting HIV at work (4):14
Nurses' dissatisfaction linked to medical dominance (3):12
Nurses liable when they act on doctor's instructions (7):14
Nursing shortage at QEH under review (7):16-17
Nursing tops ethics poll (11):13
Occupational health issues remain a high priority (5):9
One constipation treatment outshines another (6):9
Patient handling expo a huge success (10):12
Physical restraints used on one in four nursing home residents (6):9
Pre-op analgesia reduces post-op pain (5):16
Prescribing info wanted (3):39
Queensland historian studies overseas remote area work (1):27
Research centre 'a success' (4):28
Rise in Aboriginal maternal deaths (2):8
Royal Brisbane book out soon (3):39
Rural nurses find solution for problematic telephone orders (7):12
Smoking increases bone fracture risk (9):13
Standard umbilical cord treatment delays separation (9):12
Students to benefit from ANF smoking project (1):8
Successful asthma project (2):10
Survey finds child care does not harm children (11):14
Tablet tests reveal half can be dispersed in water (8):12
The art of nursing: celebrating International Nurses Day (10):20-2
Trial of new continence device a success, say nurses (7):9
Tribute to Yvonne Worrell (6):31
Uni club encourages rural work (9):14
Vitamin E has little impact on cancer rates (11):17
WA gets professor (9):18
Warning not to delay Pap smears (10):10
Water just as good as gel in ECG (4):14
Whistleblowing is an OH matter (5):17
Withdrawal of treatment for sick neonates 'reasonable' (9):18
Wound Research Foundation opens (7):10

Arnold, Sophie
Persistence pays off with breast cancer awareness (10):11
The race for places: graduate nurses' prospects in 1994 (5):18-20

Atherton, L.M. School nurses come out of the woodwork (10):4

B

Baker, Helen and Napthine, Roger The compliance conundrum (11):18-20

Beaumont, Marilyn
